

SÉURA OUTDOOR ACCESSORIES

80W Outdoor Soundbar

Optimized to deliver premium outdoor sound, Séura’s 80W Outdoor Soundbars fill your space with rich and clear sound in loud outdoor environments. Designed to complement Séura Outdoor TVs, Séura’s Outdoor Soundbars are fully weatherproof and deliver a powerful and reliable audio experience.

SIZES AVAILABLE	TV COMPATIBILITY	WEATHERPROOF RATINGS	TECHNOLOGY
37.8-inches wide 57.0-inches wide	Séura Full Sun Series™ Outdoor TVs Séura Shade Series 2 Outdoor TVs Mounts to a wall or the bottom of a Séura TV.	-40°F to 140°F Temperature Range IP55 Waterproof Rating	80-watt 2-channel soundbar with Digital Sound Processing (DSP) and internal amplifier

FULLY WEATHERPROOF

The soundbar is carefully designed and tested to thrive outside year-round with protection against rain, snow, ice, dust, and temperatures from -40°F to 140°F, so you can rest assured your soundbar is safe and reliable for use in outdoor environments.

OUTDOOR OPTIMIZED SOUND

Factory-tuned 80-watt internal amp delivers better integrated, fully optimized sound. Rich bass provides impactful audio, clear treble reaches 20kHz range without roll-off, and digital processing delivers true, accurate sound the way it was meant to be heard.

EASY INSTALLATION

Includes brackets and hardware for mounting to a wall or the bottom of your Séura TV. Cables neatly tuck away with no additional wiring to an external amp or power supply. For installation with a Séura Outdoor TV, simply connect the soundbar to the TV’s AC pass-through input.
